

PLANET PLEDGE

I can make a **big difference** with **small changes** everyday!!! There is no "Planet B" and I pledge to help our Earth.

I COMMIT TO DOING THE FOLLOWING EVERY DAY TO HELP SAVE OUR PLANET:

(Please consider checking at least four...)

- Turn off the lights when I leave a room.
- Stop letting the water run while I brush my teeth.
- Take shorter showers.
- Pick up trash when I see it at the park or anywhere else.
- Say "no thanks" to single-use plastics (like baggies and water bottles) and "yes please" to reusable substitutes.
- Donate old clothes and toys instead of throwing them away.
- Save money and the Earth by considering if I *really* need that new toy/item or if I'm likely to get bored with it in a week or so...
- Make a habit of using a reusable water bottle and filling it up instead of using plastic water bottles.
- Use both sides of a piece of paper when writing or drawing.
- Use a lunchbox instead of a paper bag.
- Pass along books and magazines to friends instead of tossing them out.
- Recycle!
- Use rechargeable batteries for my toys and devices.
