

DIY TINY TREASURE TIN

First, wash and dry an empty Altoids tin. Then, print this page, cut out the rectangles, and glue them to the corresponding areas. If you like, decorate your tin with washi tape, stickers, paint, glitter, etc. And last, but certainly not least, begin your collection of tiny treasures and fill your tin.

Have fun! 😊

Top

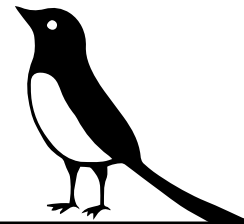

Collection of Tiny Treasures

Inside Lid

Magpie:

Noun. A beautiful bird and/or a collector of tiny treasures.

Inside Bottom
